What was your job title and responsibilities while deployed for OEF/OIF/OND?
What is the most interesting thing about your time in Iraq/Afghanistan that you would want to share with the American people?
Do you have a family tradition of military service?
Why did you answer the "Call to Duty?"
What does "Army Strong" mean to you?
How has your service in the Army made you "Army Strong?"
What do you like best about your military job?
Describe one unforgettable or rewarding experience during your military career.

Encl 1: Army Reserve Soldier Hero Application to 2013 Army All-American Bowl

What was the most challenging experience of your military career?
What is your civilian job? Does this have any link to what you do in the Army Reserve?
How has your military career / MOS helped you succeed in the civilian sector?
Is your employer supportive of your military service? How so?
Have you taken advantage of any of the educational or medical benefits offered by the Army Reserve? Explain.
Have you previously serviced on active duty with the Army or any other service? Please describe the experience.
How has being the Army Reserve made you a better person?
How does you family or other influencers in your life view your military service?
